Information about the town and/or neighborhood

C.E.I.P Jose Celestino Mutis is located in Cadiz Capital. The City of Cadiz, which is home to 115,000 people, is located on a peninsula. It's territory can't be expanded, and the city is divided into two distinct sections. The Old Town or "Centro Histórico" and the modern section where the city has grown. The unique lifestyle of this city blends daily living in both historic and modern areas. Our centre is located in the old area of Cádiz, specifically next to the Plaza de España. The students usually arrive on foot, and the centre is well connected to multiple bus lines.

Getting to school

On foot, the education centre is no more than a 45-minute walk, no matter where you are in Cádiz. The bus lines to reach the centre from anywhere in Cadiz are as follows:

Line 1 which runs along the main avenue of the city from Plaza España to Cortadura.

Line 2 runs through the area between Plaza España and the neighbourhood of Loreto.

Line 3 runs through Plaza España and the neighbourhoods of La Paz and Puntales.

Line 5 runs through Plaza España, La Laguna, and the neighbourhoods of Loreto and Zona Franca.

Line 7 runs along the area between the Ingeniero de la Cierva roundabout and the Mora Hospital.

Line 8 runs along the area encircling the Plaza de España.

Integrated within the local bus lines, there are also bus networks to nearby cities and towns: Chiclana, Jerez, Puerto Real, El Puerto de Santa Maria, San Fernando, Rota.
